15 NO. C07-1735MJP

16 ORDER ON PLAINTIFF'S MOTION
17 FOR COMBINED JOINT STATUS
18 REPORT

19 The above-entitled Court, having received and reviewed Plaintiff's Motion for Combined Joint
20 Status Report Under FRCP 26(f) and LR 16(a)(1) (Dkt. No. 15), and all exhibits and declarations
21 attached thereto, makes the following ruling:

22 IT IS ORDERED that the motion is DENIED.

23 The parties, having failed to arrive at a mutually agreeable document to submit as a Joint
24 Status Report, filed individual status reports in the above-entitled matter. Dkt. Nos. 12 and 13. The
25 Court has reviewed both those documents and is preparing a case schedule based on the
26 representations of both parties.

27 Plaintiff is correct in pointing out that the Court's order directing preparation of the Joint
28 Status Report states that “[n]o separate reports are to be filed.” However, now that all the
29 information from all parties has been submitted to the Court, it would serve no purpose to require the
30 parties to resubmit the information in the form of a single document. The Court desires that the
31 parties to this litigation cooperate to the maximum extent possible, but will not require an unnecessary
32 expenditure of time and resources to satisfy the technical letter of the law in this instance.

33 For the above reasons, Plaintiff's motion will be denied. The parties are advised that a case
34 schedule with trial date and pretrial deadlines will be filed shortly.
